**BLACK HISTORY month**

We are kicking off Black History Month with a Movie! "The Right to Read". The Right to Read shows the stories of an NAACP activist, a teacher, and two American families who fight to provide our youngest generation with the most foundational indicator of life-long success: the ability to read. February 1, 2024 every class should take time to watch the movie. <https://www.theighttoroadfilm.org/>
