To be a place where we are Successfully Educating and Advocating Leadership for all Students
"If kids come to us from strong, healthy functioning families, it makes our job easier. If they do not come to us from strong, healthy, functioning families, it makes our job more important". -Barbara Colorose

Leadership Creed

I Shall use the mirror of life as a roadmap to my destiny
I Shall use my mind, body, and soul to promote positive results in my life
I Shall embrace all challenges that stand in the way of my predetermined goal
I Shall disengage from those around me who do not invest and believe in my future
I REFUSE to embrace failure as a part of my lifestyle
I Shall understand the Power of who I AM
I Shall master the art of reading, writing, comprehension and arithmetic
And when the smoke clears and the dust settles at all cost, I SHALL SUCCEED!
