Dear Families,

It is hard to believe that it is already November. School is in full swing and learning is happening throughout our building. Like, the start of all school years, this one has been filled with its share of obstacles and hardships. In the light of everything, we have persevered and overcome all of this. None of this would be possible without the demanding work of our staff and students. I would like to give a special thanks to all our students, staff, and parents, who have stepped up during this first semester. With the continued help of our East Bridge family, we will continue to grow and thrive. I look forward to a rewarding and productive year.

Thanks so much,

Dr. Fant

Please feel free to contact me at 614-987-2345 with any questions or concerns.
